**A Family Movie  
Guide**

# INTRODUCTION

This little Family Movie guide is written to give you some cinematic choices the entire family can enjoy. I have seen almost all of them and these are some of my recommendations for children who are at least 6 years old.

I chose 40 movies to divide into 4 categories:

- **The Literary Circle of Life**
- **To Handcraft with Love**
- **Guess What's Coming to the Family Table**
- **BLB & Your Favorites**

There are many more quality-worthy movies you can add to this guide. Your family will have a few holiday favorites I haven't listed.
