MATERIALS & DIRECTIONS

SUPPLIES: printer paper or cardstock, poster board & glue or tacky putty / dry erase board & magnets / cork board & pushpins, colors, glitter, stickers, scissors

Download, copy & print templates & stars on white and/or colored printing paper or cardstock. Fill in shapes with drawings, photos or clip art. Write text in boxes to place beside matching shapes. Title a poster board OR a dry-erase board OR a cork board: This Is Me! or All About Me! or Who I Am! or And Now, Presenting.. using colors, cutout-letters, or a sign label.

Place & attach picture shapes & text boxes on the chosen board in any order.

Hang on bedroom wall, door, headboard or easel.
ACTIVITY OPTIONS

- Use a board with removable placeholders for changes in selections and/or collections.
- Poster board ideas: use different colors; string & hang as a picture; hole-punch at corners & middle to thread with O-rings on a dowel for easy removal/change; thread new boards on top of older ones & collect together as a keepsake.
- Board can have all the same shape or a variety of shapes in colors.
- Photos can be printed on paper or photos and, then, placed inside the shape boxes before printing & cutting for the board.
- Shape/text placements can be random, in rows or columns, depending on what is preferred.
- Collect the changes & place in a Memory Book or glue the text boxes to the back of the its shapes to make mini-books with a variety of titles: “looks Can Change”, “Books I Love”, “I Got the Music in Me”, Things I Love” “My Favorite ..”, “Vacations”, “when I Grow Up ”, etc.
